RIVERTOWN COMMUNICATIONS COMPANY, INC.

Rivertown Communications Company, Inc., is an Iowa Corporation, formed on August 21, 1991. It has a single class of stock -- common voting -- of which the owners are

David W. Brown	55 shares	55%
Ellen M. Bowen	45 shares	45%

Mr. Brown is the President and a Director of the corporation; Ms. Bowen is the Secretary, Treasurer, Vice President, and a Director.

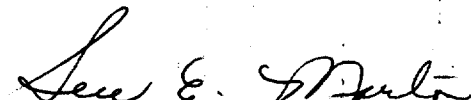

Neither Rivertown nor either of its stockholders has any interest in any medium of mass communications.

Official Notice of the Commission's Report and Order released July 26, 1991 (6 FCC Rcd 4516; Attachment A hereto), making the allocation at Rivertown's request, is requested.

In the Matter of

Amendment of Section 73.202(b), RM-7616

REPORT AND ORDER
(Proceeding Terminated)

Adopted: July 8, 1991;

Released: July 26, 1991

By the Chief, Allocations Branch:

1. At the request of Rivertown Communications Company ("petitioner"), the Commission has before it the *Notice of Proposed Rule Making*, 6 FCC Rcd 1323 (1991), proposing the allotment of Channel 282C3 to Eldon, Iowa, as the community's first local FM service. Petitioner filed comments reiterating its intention to apply for the channel, if allotted. No other comments were received.

2. We believe the public interest would be served by allotting Channel 282C3 to Eldon, Iowa, because it could provide the community with its first local FM service. Channel 282C3 can be allotted to Eldon in compliance with the Commission's minimum distance separation requirements with a site restriction of 7.6 kilometers (4.7 miles) south to avoid a short-spacing to Station KTOF, Channel 283C1, Cedar Rapids, Iowa.¹

3. Accordingly, pursuant to the authority contained in

I was born in Ottumwa, Iowa, (within the proposed service area) on August 13, 1961, and lived on my family's farm approximately eight miles southwest of Eldon from birth until after my graduation from high school in 1979. Because our family's farm was located in Davis County, just south of the Wapello County line, I attended high school in Bloomfield (also within the proposed service area), some 14 miles away, rather than in Eldon.
